DETAILED ACTION

Allowable Subject Matter

1. Claims 1-15 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: the allowability recites at least in part: a support member extending from a front end to a rear end of the console unit and defining a surface receiving and supporting a substrate thereon; and a console rotatably connected to the front end of the support member for rotation relative to the support member about a rotation axis transverse to a plane parallel to the surface which receives and supports the substrate, the console being electrically connected to a conductive element on the substrate or that a thrust member connected to the operation button, the thrust member penetrating through a bore defined in the plate member; and an elastic transformable member continuous with the plate member and the operation button based on integral formation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hung v Duong whose telephone number is (571) 272-2041. The examiner can normally be reached on 8-5.
